

How to register a mobile phone number for two-step verification

- Target group: Credit card holders
- Goal: To be able to verify a mobile phone number required for certain online payments.

1. Access the website <https://www.icsbusiness.nl/>, which leads to the following screen:

2. In case you already have an ICS Business account, you can log in and skip to step 5.

If that's not the case, select the option to "Activate My ICS Business", followed by selecting the "Card-holder" option.

3. Fill out the following form, check the box to agree to the terms & conditions and click on "Send".

The "Postcode" & "Huisnummer" fields depend on the **name** that's on the creditcard. See the two examples below:

Name on credit card: **Dümmen Orange The Netherlands B.V. / Fides B.V.**
Postcode: **2678ZG**
Huisnummer: **26**

Name on credit card: **D.N.A. Green Group B.V. / Rijnplant Breeding B.V.**
Postcode: **2678PS**
Huisnummer: **6**

4. Once the form is filled out and sent off, an e-mail will be sent to the given e-mail address in order to activate the account. At that point an username and password can be chosen.

5. Once an username and password are chosen you can log in by clicking the “Log in” button and filling out the chosen username and password followed by clicking the pink “Log in” button

The screenshot shows a login interface with the title 'Inloggen'. Below the title are two input fields: 'Inlognaam' and 'Wachtwoord', each preceded by an information icon. To the right of the 'Inlognaam' field is a checkbox labeled 'Onthoud inlognaam'. At the bottom center is a pink button with the text 'Inloggen' and a right-pointing arrow.

6. Once logged in, there are a few different tabs on the top of the screen. The fourth tab refers to personal details, where with the pink “Modify” option these details can be adjusted.

The screenshot shows a navigation bar with five tabs: 'Actueel', 'Alle transacties', 'Rekeningoverzicht', 'Mijn gegevens' (highlighted in yellow), and 'Zelf regelen'. Below the tabs is a section titled 'Persoonlijke gegevens'. It contains three rows of information: 'Naam' (Dhr. M.K. den Haan), 'Telefoonnummer' (*****0130), and 'E-mailadres' (m*****n@dummenorange.com). To the right of the 'Naam' row is a pink button labeled 'Wijzigen' with a right-pointing arrow.

7. Add a mobile number and click “Next”, check the box and then “Send” in order to confirm.

The screenshot shows a form for adding a mobile number. It includes fields for 'Naam' (Dhr. M.K. den Haan), 'Telefoonnummer' (*****0130), 'Mobiël nummer' (highlighted in yellow), and 'E-mailadres' (m*****n@dummenorange.com). At the bottom are two buttons: 'Vorige' with a left-pointing arrow and 'Volgende' with a right-pointing arrow.

A mobile number is now added for two step verification.
