

Collective Health Insurance 2021

Good care is essential for healthy and vital employees. For this reason, we have concluded contracts with insurers for collective health insurances. You can participate on a voluntary basis in a collective health insurance with CZ or DSW. Review and compare what the best health insurance for your situation is.

CZ

With this insurer you get 3,5% discount on the basic insurance and 10% discount on a supplementary insurance or dental insurance.
